Intro: D - - - | G - - - | D - - - | G - -

Verse 1

```
                D                          G
Unless the Lord   builds the house    We  labor in vain
                Bm                        G
Unless the Lord   watches out    We  labor in vain
        Bm                                        G
In our own strength we have sown  Worked  our hands to the bone
                D                          G              |D - - - | G - - - | D - - - | G - - - |
Unless the Lord   builds the house    We  labor in vain
```

Verse 2

```
              D                    G
By the sweat of our brow   We labor in vain
               Bm                     G
When our legs push the plow   We labor in vain
        Bm                                  G
In out own strength we sown   Worked our hands to the bone
              D                    G
By the sweat of our brow  We labor in vain
```

Chorus

```
           Bm                          G
You can have all the work of my hands
               Bm               G
For you made  all I see   the soil and the sand
      Bm                          G
This back that you've made has begun to break
           Bm                          G  | D - - - | G - - - | D - - - | G - - - |
Take it all     Take it all     Take it all
```

Verse 3

D G
When the Lord builds the house We rest in His name
Bm G
When the Lord watches out We rest in His name
Bm G
In our own strength we've sown Worked our hands to the bone
D G
When the Lord builds the house We rest in his name

Chorus ***2 times***

Bm G
You can have all the work of my hands
Bm G
For you made all I see the soil and the sand
Bm G
This back that you've made has begun to break
Bm G
Take it all Take it all Take it all
