Your Great Name

INTRO: | F / C / | Gsus4 / G / | **X2**

Verse 1
```
        Am                Fmaj7                C                Em
Lost are saved find their way          At the sound of Your great Name
        Am                Fmaj7                C                G/B
All condemned feel no shame            At the sound of Your great Name
      Am          Fmaj7                  C                Em
Ev'ry fear has no place              At the sound of Your great Name
           Am        Fmaj7                  C                Gsus4  G
The enemy he has to leave              At the sound of Your great Name
```

Chorus 1
```
F  C  G                  Am          F          C          G                  Am
Je-sus worthy is the Lamb that was slain for us       The Son of God and man
           F                C             Am                G
You are high and lifted up         And all the world will praise
           F        C / | Gsus4 / G / |
Your great Name
```

Verse 2
```
           Am          Fmaj7                      C                Em
All the weak find their strength                At the sound of Your great Name
       Am                Fmaj7                      C                G/B
Hungry souls receive grace                      At the sound of Your great Name
           Am        Fmaj7                      C                Em
The fatherless find their rest                  At the sound of Your great Name
           Am                    Fmaj7                C                Gsus4  G | Gsus4 / G / |
The sick are healed the dead are raised         At the sound of Your great Name
```

Chorus 1
```
F  C  G                  Am          F          C          G                  Am
Je-sus worthy is the Lamb that was slain for us       The Son of God and man
           F                C             Am                G
You are high and lifted up         And all the world will praise
           F        C / | Gsus4 / G / |       F        C / | Gsus4 / G / |
Your great Name                          Your great Name
```
